

Lighthouse Christian School is Now Open for Enrollment!

Excited to announce LCS is now open for enrollment! If you are looking for a private school with strong academics in an environment that focuses on our Lord and Savior, then don't delay. Especially due to the recent growth along with current facilities space limitations. A few dates to keep in mind are:

Open House on March 6th starting at 7pm. Enjoy an evening of devotions, fellowship and walking through the school.

Observation Days on March 12th & 24th from 8am-10am. Invite you to observe classrooms during a normal school morning.

Enrollment Deadline on March 31st by the end of the day. The earlier you enroll the better!

Kindergarten Testing on April 29th all day from 8am-3pm.

Want more information? Email Jenny Brubaker at lcssecretary@lcsOhio.org for the 2020 information packet. For questions call Brett Garber at (937) 603-4560.

If you feel to donate to this cause please make checks out to Lighthouse Christian School and mail to PO 166 Brookville, OH 45309.

Thank you for your continued prayers and support of LCS!

Blessing,

The School Board
