Posted on April 08, 2020 for [West Modesto](#), [Mountain View](#), [Cutler Ridge](#), [West Manchester](#), [Western Kansas](#), [Mission Valley](#), [Morning Star](#), [Bear Creek](#), [Shiloh](#), [Dallas](#), [Mt. In order to help everyone know which services are being held this weekend, we are publishing the list of services that you can find on the [Calendar](#) page here in a list format. We hope to provide this list in a new News Post each week until we can resume normal services. This list depends on our calendars being kept up to date for which we want to thank the [Calendar Contacts](#) in each congregation for keeping their calendars updated. If this list is not correct, please reach out to the [Calendar Contact](#) in your congregation to ask them to update your calendar. We will try to update this list if something changes between now and Sunday morning.
